

# Disability Mentoring Day

3rd Annual Disability Mentoring Day  
Friday, April 27, 2018

Work Without Limits is excited to partner with the American Association of People with Disabilities on the 3rd annual Massachusetts Disability Mentoring Day (DMD)!

Applications for job seekers with disabilities (aka Mentees) can be found [here](#) or at <http://www.surveygizmo.com/s3/4108898/Mentee-Application-2018>

**Deadline for applications have been extended until Friday, March 23, 2018.**

Participating Employers include:

- Eastern Bank
- Federal Home Loan Bank of Boston
- John Hancock
- MassMutual
- National Grid
- TJX Companies, Inc.
- UMass Medical School

Through DMD, Mentees are paired with a career professional (aka Mentors) from one of the above companies to learn what it means to work in that company, field or occupation; observe a typical work day; identify necessary skills; and learn about possible internships or employment prospects. While DMD is a one-day event, mentors and mentees are encouraged to stay in touch after the event. Mentoring is invaluable and beneficial for both the mentor and mentee, advancing career development and growth.
