Advancing Disability Inclusion  
in the Workplace

# WorkWithoutLimits

Work Without Limits is a network of employers, educational institutions, employment service providers, and state and federal agencies.

Through collaboration and partnership, our goal is to increase the employment of people with disabilities until it is equal to those without disabilities.

Work Without Limits programs and services are geared to meet the needs of businesses that actively recruit people with disabilities, individuals with disabilities who are seeking jobs, and the employment providers that serve them.
